

## SCT Custom 4 Program EEC 4 & 5 Chip

We are proud to offer custom SCT 6600 EEC 4 & 5 4 program chips to our valued 1987-current Ford, Lincoln, and Mercury vehicle owners. No matter what the combination or tuning problem that needs to be solved we can accomplish it for you ! From stock to fully modified vehicles we can create the chip for your combination to get peak power and drivability. We have the chips in stock ready to ship. There is almost no parameter of the EEC we cannot adjust.

SCT-Custom performance chip 4 program chip \$ 299.99  
- Six Function, Four Program - Four Bank Chip

User selects one of four programs via a dial 0, 1, 2, 3.

Program 4 is Stock

5, 6, 7 NO START
